#### The Courtyard's parking lot access blocked

Downtown Chapel Hill retail complex The Courtyard has had parking lot access blocked over an unpaid rent dispute.

Owner of the parking lot P.H. Craig says The Courtyard leases the parking spaces from him.

Craig formerly owned the Courtyard but sold it to New York investor Spencer C. Young in fall 2005, maintaining title to the parking spaces.

He leases those spots to Young, who in turn collects fees for parking from Courtyard tenants to cover that cost.

Only Young seems to have been collecting the fees while not paying the rent, which Craig says forced him to take action and block access to the lot.

Craig declines to disclose the amount of unpaid lot rental fees.
